6.13. [Procurement Opportunities Program - Local and Micro Business Preference](#)

PURPOSE

The purpose of the Procurement Opportunities Program is to promote and enhance the utilization of local and small business enterprises in the County's procurement and contracting processes. Small businesses contribute to the overall economic health of the community. Therefore, government has a compelling interest to provide economic opportunity to small businesses. The economic health of the community is dependent upon an active and thriving business community, including both large and small businesses. For this reason, the program is designed to provide procedural assistance and contracting information to any firm wishing to do business with the County. This program is not, however, intended to become a separate activity within the County's procurement and contracting process. It is intended to be an integral part of the County's standard procurement and contracting process.

INCENTIVES

Service and supply acquisition: For material, supply, construction and/or non-professional service contracts of less than \$1,000,000 processed through the Department of General Services, Contract and Purchasing Services Division, or through the Delegated Purchase Order (DPO) Program. The County of Sacramento will award a two-percent (2%) price or point micro-business preference to State Certified Micro-Business enterprises located within the Sacramento Regional Market Area (Sacramento, El Dorado, Placer, Sutter, Yolo and Yuba Counties), and/or a five-percent (5%) price or point local business preference.

The Delegated Purchase Order program (a delegated purchasing program utilized by department "DPO Buyers") includes a provision requiring the departments to obtain multiple quotes based on the dollar amount of the purchase. This program will eliminate the quoting requirement if the DPO Buyer issues a DPO to a certified micro-business in the Sacramento Regional Market Area. When obtaining multiple quotes, the DPO Buyer shall apply all applicable preferences stipulated in this program.

LOCAL BUSINESS PREFERENCE QUALIFICATIONS

Pursuant to Sections 2.56.420 and 2.56.440 of the Sacramento County Code, where applicable, a local price or point preference credit of 5% shall be granted to Local Business Enterprises on supply and non-professional service contracts of less than one million dollars (\$1,000,000) to business enterprises located within Sacramento County when evaluating bids for material, supply, construction, and/or non-professional services acquisitions processed through the Department of General Services, Contract and Purchasing Services Division or through the Delegated Purchase Order Program. In order to qualify for local preference, a vendor must meet all of the following criteria (as defined in SCC 2.56.420):

- A. The business maintains its Principal Place of Business within the geographic boundaries of the County of Sacramento.
 - 1. Suppliers and professional truck drivers are not required to maintain their principal place of business within the County, but must maintain a Fixed Office within the County. Suppliers must also maintain a continuously stocked inventory within the County consistent with the type of goods for which the business is seeking a local preference. Professional truck drivers must also park their registered vehicles and trailers within the County when not under contract for use. The business may be required to submit to the County a copy of its rental or lease agreement evidencing its Fixed Office location.
- B. The business must provide 50 percent or more of the contracted product from its own local inventory.
- C. The business must possess a current County of Sacramento business license or a business license from a city within the County. If the business's Fixed Office is located in a city that does not issue business licenses, the business must be current with the city's business operations taxes or other business regulations.
- D. The business has been established and conducting business activities in the County for at least six months preceding the due date of the bid/proposal for which a local preference is being sought. The business may be required to submit to the County evidence of its business activities within the Sacramento area during the preceding six months.
- E. The business must have paid sales tax to either a city located within the County or to the County of Sacramento. The business may be required to submit to the County copies of its State of California Board of Equalization sales and use tax returns.

This preference shall also be provided to Sacramento Regional Market Area businesses that meet the criteria of a Local Business Enterprise for the county in which they are located, provided that:

- A. Those criteria are at least as stringent as section 2.56.420(d); and
- B. The county in which such businesses are located also provides pricing preferences to businesses located within Sacramento County.

Bidders claiming local vendor preference for any Request for Bid, Price Quote, or Request for Proposal must submit an Affidavit of Eligibility (see page 3) with their bid, quote or proposal response, unless an approved affidavit is already on file.

For questions or assistance relating to the County of Sacramento's Local Vendor Preference Policy, call the Contract & Purchasing Services Division at 916-876-6360 or visit our website at www.saccountybids.net.

In the event of such termination, County may proceed with the work in any manner deemed proper by County. If notice of termination for cause is given by County to contractor and it is later determined that contractor was not in default or the default was excusable, then the notice of termination shall be deemed to have been given without cause pursuant to paragraph (A) above.
3. County may terminate or amend any resulting contract immediately upon giving written notice to contractor, 1) if advised that funds are not available from external sources for resulting contract or any portion thereof, including if distribution of such funds to the County is suspended or delayed; 2) if funds for the services and/or programs provided pursuant to resulting contract are not appropriated by the State; 3) if funds in County's yearly proposed and/or final budget are not appropriated by County for resulting contract or any portion thereof; or 4) if funds that were previously appropriated for resulting contract are reduced, eliminated, and/or re-allocated by County as a result of mid-year budget reductions.

In the event of termination under paragraph a or c above, contractor shall be paid an amount which bears the same ratio to the total compensation authorized by resulting contract as the services actually performed bear to the total services of contractor covered by resulting contract, less payments of compensation previously made. In no event, however, shall County pay contractor an amount which exceeds a pro rata portion of the resulting contract total based on the portion of the resulting contract term that has elapsed on the effective date of the termination.
5. Contractor shall not incur any expenses under any resulting contract after notice of termination and shall cancel any outstanding expenses obligations to a third party that contractor can legally cancel.

Public Agency Participation: It is intended that any other public agency including those identified in the solicitation (i.e., city, district, public authority, public agency, municipality and other political sub-

division or public corporation of California) located in California shall have the option to participate in any award made as a result of this solicitation. The County of Sacramento shall incur no financial responsibility in connection with orders issued or delivered by another public agency. Each public agency using this contract shall accept sole and full responsibility for placing of orders and making payments to the contractor. In addition to the above, the contractor shall provide the same level of indemnification and insurance protection to each of the participating agencies ordering products and/or services under any award made as a result of this solicitation.

Out of State Vendors Providing Services to the County of Sacramento: Recent state legislation requires the County to withhold seven percent (7%) of all income paid to certain independent contractors who do not reside in California. (Rev. & Tax. Code §18662; Cal. Admin. Code §§18662-1-18662-14.) This provision does not apply if the total amount paid for services in a given year is less than \$1,500. It also does not apply if the contractor is: a) a corporation with a principal place of business in California; b) a partnership with a permanent place of business in California; c) a corporation qualified through the Secretary of State to do business in California; or d) an individual with a permanent residence in the State of California.

FTB Waiver -The contractor can apply to the FTB for a waiver from this withholding requirement. An FTB waiver will generally be granted when the nonresident contractor has a current history of filing California tax returns and/or is currently making estimated tax payments to the FTB. An FTB waiver request is made on FTB Form 588, which can be faxed to the FTB at (916) 845-4831.

Payments (E-Payables)

The County of Sacramento has partnered with Bank of America to implement a card payment program, ePayables, offered to County's suppliers/contractors/vendors. This preferred payment method will reduce paper waste and expedite payments to recipients. Traditional forms of payment (hardcopy checks) remain.

ePayables will not affect payment terms and conditions of any existing contract. Once an invoice is approved for payment, an electronic remittance advice will be sent to the recipient's email instead of a hardcopy check. The remittance advice will include statement-type information such as: invoice numbers, dates, and invoice amounts. Payments can be retrieved with a County designated account number assigned to the contractor. For more information, go to www.bankofamerica.com/epayablesvendors or contact the Sacramento County Department of Finance at 916-874-7411 (epayables@saccounty.gov).

Late Payments: Should the county be late in making payments against invoices submitted correctly and timely, any interest levied by the vendor for payments shall be limited by the Section 926.10 of the California Government Code.

Reports:

1. CONTRACTOR shall, without additional compensation therefor, make fiscal, program evaluation, progress, and such other reports as may be reasonably required by COUNTY concerning CONTRACTOR's activities as they affect the contract duties and purposes herein. COUNTY shall explain procedures for reporting the required information.

2. CONTRACTOR agrees that, pursuant to Government Code section 7522.56, CONTRACTOR shall make best efforts to determine if any of its employees or new hires providing direct services to the county are members of the Sacramento County Employees' Retirement System (SCERS). CONTRACTOR further agrees that it shall make a report bi-annually (due no later than January 31st and July 31st) to the COUNTY with a list of its employees that are members of SCERS along with the total number of hours worked during the previous 6 months. This report shall be forwarded to where Notice is sent pursuant to resulting contract.

Web Accessibility: CONTRACTOR shall ensure that all web sites and web applications provided by CONTRACTOR pursuant to this Contract shall comply with the County of Sacramento's Web Accessibility Policy. Failing to comply with the WCAG ("Web Content Accessibility Guidelines") Version 2.1, Level AA policy (<https://www.w3.org/TR/WCAG21/>) or take significant steps toward doing so in a reasonable amount of time by April 24, 2026, shall result in consequences up to and including refund of purchase price and/or termination of the Contract.

9.2. Indemnification (services)

To the fullest extent permitted by law, for work or services provided under this Agreement, CONTRACTOR shall indemnify, defend, and hold harmless County, its governing Board, officers, directors, officials, employees, and authorized volunteers and agents, (individually an "Indemnified Party" and collectively "Indemnified Parties"), from and against any and all claims, demands, actions, losses, liabilities, damages, and all expenses and costs incidental thereto (collectively "Claims"), including cost of defense, settlement, arbitration, expert fees, and reasonable attorneys' fees, resulting from injuries to or death of any person, including employees of either party hereto, and damage to or destruction of property, or loss of use or reduction in value thereof, including the property of either party hereto, and recovery of monetary losses incurred by County directly attributable to the performance of CONTRACTOR, arising out of, pertaining to, or resulting from the negligent acts, errors, omissions, recklessness, or willful misconduct of CONTRACTOR, its employees, or CONTRACTOR's subcontractors at any tier, or any other party for which CONTRACTOR is legally liable under law.

The right to defense and indemnity under this Section arises upon occurrence of an event giving rise to a Claim and, thereafter, upon tender in writing to CONTRACTOR. CONTRACTOR shall defend Indemnified Parties with counsel reasonably acceptable to County. Notwithstanding the foregoing, County shall be entitled, on its own behalf, and at the expense of CONTRACTOR, to assume control of its defense or the defense of any Indemnified Party in any legal action, with counsel reasonably selected by it. Should County elect to initially assume control of its defense, or the defense of any Indemnified Party, it does so without prejudice to its right to subsequently request that CONTRACTOR thereafter assume control of the defense and pay all reasonable attorneys' fees and costs incurred thereby.

This indemnity obligation shall not be limited by the types and amounts of insurance or self-insurance maintained by CONTRACTOR or CONTRACTOR's subcontractors at any tier.

Nothing in this indemnity obligation shall be construed to create any duty to, any standard of care with reference to, or any liability or obligation, contractual or otherwise, to any third party.

The provisions of this indemnity obligation shall survive the expiration or termination of the Agreement.
