3. Bidder's Instructions

3.1. General Format

Respond to all requests for information and completion of forms contained in this Request for Bid. A qualifying response must address all items. Brochures and advertisements will not be considered a complete reply to requests for information and will not be accepted as such. Bidder is solely responsible for accuracy and completeness of bid response and for electronically separating and marking documents as confidential when submitting their response through [SacCountyEbids](#). Responses considered incomplete may be rejected.

3.2. Alteration of Bid Text

The original text of this bid document, as well as any attachments, amendments or other official correspondence related to this bid document, may not be manually, electronically or otherwise altered by bidder or bidder's agent(s). Any response containing altered, deleted, additional or otherwise non-original text will be disqualified.

3.3. Preparation of Response

- A. All responses must be signed by an authorized officer or employee of the responder.
- B. Responses must be submitted prior to the specified date and time, using the Sacramento County's Electronic Bidding website ([SacCountyEbids](#)). Responses delivered by hand, fax, telephone, e-mail, or any postal carrier will not be accepted. If bidder uploads a file to [SacCountyEbids](#), it is bidder responsibility to ensure the file is not corrupt or damaged. If County is unable to open an attachment because it is damaged, corrupt, infected, etc., it may disqualify bidder's submission. See this [training guide](#) for guidance entering your online response.
- C. Time of delivery must be stated as the number of calendar days following receipt of the order by the bidder to receipt of the goods or services by the County.
- D. Time of delivery may be a consideration in the award.
- E. Prices will be considered as net if no cash discount is offered. If a discrepancy between the unit price and the item total exists, the unit price prevails.
- F. Shipping Terms: F.O.B. Destination, freight prepaid and added; Payment Terms: NET 30.

3.4. Confidential Information/Public Record

All responses become property of the County. All responses, including the accepted bid and any subsequent contract, become public records per the requirements of the California Government Code, Sections 6250 -6270, "California Public Records Act". Proprietary material must be clearly marked as such. Pricing and service elements of the successful bid are not considered proprietary information.

The County will treat all information submitted in a bid as available for public inspection once the County has selected a contractor. If you believe that you have a legally justifiable basis under the California Public Records Act (Government Section 6250 et. seq.) for protecting the confidentiality of any

information contained within your bid, you must identify any such information, together with the legal basis of your claim in your bid, and present such information separately as part of your response.

The final determination as to whether the County will assert your claim of confidentiality on your behalf shall be at the sole discretion of the County. If the County makes a determination that your information does not meet the criteria for confidentiality, you will be notified as such. Any information deemed to be non-confidential shall be considered public record.

4. Basis for Award

Award will be made to the bidder whose offer provides the greatest value, in our view, to the County from the standpoint of suitability to purpose, quality, service, previous experience, life cycle, cost, ability to deliver, or for other reasons deemed by Purchasing to be in the best interest of the County.

Public Bid Opening: As soon as possible after the date and time specified by the Request for Bid, pricing information will be made public to all bidders. The responses will remain sealed during the bid evaluation period, and will be made available for public inspection upon notice of bid award.

This bid award will be determined by lowest responsive and responsible bidder. Bid responses will be considered valid for a period of 120 calendar days after bid closing date above.

Total bid amount will be the sum of the subtotal of pricing Table A plus the percentage materials markup (line item #3) applied to a material value of \$20,000 plus the percentage general overhead markup for findings (line item #4) applied to the sum of Table A and line item #3 markup value. Risk Assessment scores will then be applied to each bidder's total bid amounts as follows: Each bidder's assigned Risk Assessment score 'X' will be divided by the maximum points possible, 37, and then multiplied by 5% to arrive at the Risk Assessment discount percentage applied to the bidder's total bid amount for bid comparison purposes (see item #7 of Vendor Submissions). Local and Micro Business Preferences will be applied to the bid amounts as applicable. The County reserves the right to reject bids of vendors whose place of business (shop) is located more than a 1-hour drive (one way) from Fleet Services Division, 4001 Branch Center Road, Sacramento, CA 95827.

Note: All specifications, terms and conditions of this request will apply to any resulting order.

CONTRACTOR hereby certifies that either:

- (a) the CONTRACTOR is a government or non-profit entity (exempt); or
- (b) the CONTRACTOR has no Principal Owners (25% or more) (exempt); or

6.17. Procurement Opportunities Program - Local and Micro Business Preference

PURPOSE

The purpose of the Procurement Opportunities Program is to promote and enhance the utilization of local and small business enterprises in the County's procurement and contracting processes. Small businesses contribute to the overall economic health of the community. Therefore, government has a compelling interest to provide economic opportunity to small businesses. The economic health of the community is dependent upon an active and thriving business community, including both large and small businesses. For this reason, the program is designed to provide procedural assistance and contracting information to any firm wishing to do business with the County. This program is not, however, intended to become a separate activity within the County's procurement and contracting process. It is intended to be an integral part of the County's standard procurement and contracting process.

INCENTIVES

Service and supply acquisition: For material, supply, construction and/or non-professional service contracts of less than \$1,000,000 processed through the Department of General Services, Contract and Purchasing Services Division, or through the Delegated Purchase Order (DPO) Program. The County of Sacramento will award a two-percent (2%) price or point micro-business preference to State Certified Micro-Business enterprises located within the Sacramento Regional Market Area (Sacramento, El Dorado, Placer, Sutter, Yolo and Yuba Counties), and/or a five-percent (5%) price or point local business preference.

The Delegated Purchase Order program (a delegated purchasing program utilized by department "DPO Buyers") includes a provision requiring the departments to obtain multiple quotes based on the dollar amount of the purchase. This program will eliminate the quoting requirement if the DPO Buyer issues a DPO to a certified micro-business in the Sacramento Regional Market Area. When obtaining multiple quotes, the DPO Buyer shall apply all applicable preferences stipulated in this program.

LOCAL BUSINESS PREFERENCE QUALIFICATIONS

Pursuant to Sections 2.56.420 and 2.56.440 of the Sacramento County Code, where applicable, a local price or point preference credit of 5% shall be granted to Local Business Enterprises on supply and non-professional service contracts of less than one million dollars (\$1,000,000) to business enterprises located within Sacramento County when evaluating bids for material, supply, construction, and/or non-professional services acquisitions processed through the Department of General Services, Contract and

Purchasing Services Division or through the Delegated Purchase Order Program. In order to qualify for local preference, a vendor must meet all of the following criteria (as defined in SCC 2.56.420):

- A. The business maintains its Principal Place of Business within the geographic boundaries of the County of Sacramento.
 - 1. Suppliers and professional truck drivers are not required to maintain their principal place of business within the County, but must maintain a Fixed Office within the County. Suppliers must also maintain a continuously stocked inventory within the County consistent with the type of goods for which the business is seeking a local preference. Professional truck drivers must also park their registered vehicles and trailers within the County when not under contract for use. The business may be required to submit to the County a copy of its rental or lease agreement evidencing its Fixed Office location.
- B. The business must provide 50 percent or more of the contracted product from its own local inventory.
- C. The business must possess a current County of Sacramento business license or a business license from a city within the County. If the business's Fixed Office is located in a city that does not issue business licenses, the business must be current with the city's business operations taxes or other business regulations.
- D. The business has been established and conducting business activities in the County for at least six months preceding the due date of the bid/proposal for which a local preference is being sought. The business may be required to submit to the County evidence of its business activities within the Sacramento area during the preceding six months.
- E. The business must have paid sales tax to either a city located within the County or to the County of Sacramento. The business may be required to submit to the County copies of its State of California Board of Equalization sales and use tax returns.

This preference shall also be provided to Sacramento Regional Market Area businesses that meet the criteria of a Local Business Enterprise for the county in which they are located, provided that:

- A. Those criteria are at least as stringent as section 2.56.420(d); and
- B. The county in which such businesses are located also provides pricing preferences to businesses located within Sacramento County.

Bidders claiming local vendor preference for any Request for Bid, Price Quote, or Request for Proposal must submit an Affidavit of Eligibility (see page 3) with their bid, quote or proposal response, unless an approved affidavit is already on file.

For questions or assistance relating to the County of Sacramento's Local Vendor Preference Policy, call the Contract & Purchasing Services Division at 916-876-6360 or visit our website at www.saccounty bids.net.

Complete information regarding this program is located on the following website:

<http://www.dgs.saccounty.net/capsd/Pages/County-Purchasing-Code.aspx#2.56.410>

MICRO-BUSINESS PREFERENCE QUALIFICATIONS

Most County contracts are open to competitive bidding. It is the policy of the County to actively solicit participation by small business enterprises in its procurement and contracting activities. In order for the County to readily find small businesses to solicit, businesses should (1) be certified with the State of California, Office of Small Business and DVBE Services, or reciprocal agency, and (2) register with the State of California, Department of General Services.

The County will accept certifications from the State of California, Office of Small Business and DVBE Services, or reciprocating governmental agencies. The County will accept formal certifications from other agencies within the State of California for documentation purposes. For a firm to be eligible for a two-percent (2%) price preference, it must meet all of the following criteria (as defined in SCC 2.56.420):

Payments (E-Payables)

The County of Sacramento has partnered with Bank of America to implement a card payment program, ePayables, offered to County's suppliers/contractors/vendors. This preferred payment method will reduce paper waste and expedite payments to recipients. Traditional forms of payment (hardcopy checks) remain.

ePayables will not affect payment terms and conditions of any existing contract. Once an invoice is approved for payment, an electronic remittance advice will be sent to the recipient's email instead of a hardcopy check. The remittance advice will include statement-type information such as: invoice numbers, dates, and invoice amounts. Payments can be retrieved with a County designated account number assigned to the contractor. For more information, go to www.bankofamerica.com/epayablesvendors or contact the Sacramento County Department of Finance at 916-874-7411 (epayables@saccounty.gov).

This report shall be forwarded to where Notice is sent pursuant to resulting contract.

The right to defense and indemnity under this Section arises upon occurrence of an event giving rise to a Claim and, thereafter, upon tender in writing to CONTRACTOR. CONTRACTOR shall defend Indemnified Parties with counsel reasonably acceptable to County. Notwithstanding the foregoing, County shall be entitled, on its own behalf, and at the expense of CONTRACTOR, to assume control of its defense or the defense of any Indemnified Party in any legal action, with counsel reasonably selected by it. Should County elect to initially assume control of its defense, or the defense of any Indemnified Party, it does so without prejudice to its right to subsequently request that CONTRACTOR thereafter assume control of the defense and pay all reasonable attorneys' fees and costs incurred thereby.

This indemnity obligation shall not be limited by the types and amounts of insurance or self-insurance maintained by CONTRACTOR or CONTRACTOR's subcontractors at any tier.

Nothing in this indemnity obligation shall be construed to create any duty to, any standard of care with reference to, or any liability or obligation, contractual or otherwise, to any third party.

The provisions of this indemnity obligation shall survive the expiration or termination of the Agreement.
