### 2. Please confirm that your company will accept the County's contract terms and conditions.\*

Confirmed

*Please Note: Responses to this question may be publicly displayed after the due date has passed.*

### 3. Cooperative Participation Alliance Terms\*

The Master Agreement awarded under this Solicitation by County of Sacramento, will be made available to additional Participating Agencies ("PAs") on a local, regional, or national level. PA's may include, but aren't limited to, entities such as local governments, educational institutions, special districts or non-profits, that have joined together to leverage their joint buying power. These entities

will operate under the same terms and pricing as Lead Procurement Agency (LPA), County of Sacramento, including Administrative Fee and Sales Reporting provisions. PAs may include but aren't limited to municipalities, counties, states, higher education institutions, public authorities, councils of government, regional governments, public health institutions, or other eligible public agencies, educational institutions and non-profit organizations.

The awarded vendor(s) are required to provide all services to Sacramento County. Ability to service PA's outside Sacramento County will not affect your ability to win this business.

Please download, complete, and upload the Cooperative Procurement Alliance Terms and Conditions document.

**10. Contractor Certification of Compliance\***

WHEREAS it is in the best interest of Sacramento County that those entities with whom the County does business demonstrate financial responsibility, integrity and lawfulness, it is inequitable for those entities with whom the County does business to receive County funds while failing to pay court-ordered child, family and spousal support which shifts the support of their dependents onto the public treasury.

Therefore, in order to assist the Sacramento County Department of Child Support Services in its efforts to collect unpaid court-ordered child, family and spousal support orders, the following certification must be provided by all entities with whom the County does business:

**CONTRACTOR hereby certifies that either:**

(b) the CONTRACTOR has no Principal Owners (25% or more) (exempt)

*Please Note: Responses to this question may be publicly displayed after the due date has passed.*

**11. Contractor Certification of Compliance Cont...\***

**New CONTRACTOR shall certify that each of the following statements is true:**

- A. CONTRACTOR has fully complied with all applicable state and federal reporting requirements relating to employment reporting for its employees; and
- B. CONTRACTOR has fully complied with all lawfully served wage and earnings assignment orders and notices of assignment and will continue to maintain compliance.

NOTE: Failure to comply with state and federal reporting requirements regarding a contractor's employees or failure to implement lawfully served wage and earnings assignment orders or notices of assignment constitutes a default under the contract; and failure to cure the default within 90 days of notice by the County shall be grounds for termination of the contract. Principal Owners can contact the Sacramento Department of Child Support Services at 1-866-901-3212, by writing to P.O. Box 269112, Sacramento, 95826-9112, or via the Customer Connect website at [www.childsup.ca.gov](http://www.childsup.ca.gov).

Yes

**12. Solicitation Exceptions\***

Please list all exceptions below referring to name of specific section and (where applicable) paragraph, subsection number, or other identifier. For each exception, please quote the statement(s) to which you are taking an exception, for reference during bid analysis. Exceptions considered excessive or affecting vital terms, conditions or specifications may reduce or eliminate your prospects for award.

Please include the following with every exception (if your company has no exceptions, type "N/A" in this field):

- A. Page #

- B. Section#/Title
- C. Exception Description

N/A

**Please Note:** Responses to this question may be publicly displayed after the due date has passed.

### 13. Non-Collusion Affidavit\*

I state that I am authorized to make this affidavit on behalf of my firm, and its owners, directors, and officers. I am the person responsible in my firm for the price(s) and the amount of this proposal.

I state that:

- A. The price(s) and amount of this proposal have been arrived at independently and without consultation, communication or agreement with any other contractor, bidder or potential bidder, except as disclosed below in the exceptions field (accept with exceptions).
- B. That neither the price(s) nor the amount of this proposal, and neither the approximate price(s) nor approximate amount of this proposal, have been disclosed to any other firm or person who is a bidder or potential bidder, and that they will not be disclosed before proposal opening.
- C. No attempt has been made or will be made to induce any firm or person to refrain from submitting a proposal on this contract, or to submit a proposal higher than this proposal, or to submit any intentionally high or noncompetitive proposal/bid or other form of complementary proposal.
- D. The proposal by my firm is made in good faith and not pursuant to any agreement or discussion with, or inducement from, any firm or person to submit a complementary or other noncompetitive proposal.
- E. My firm, its affiliates, subsidiaries, officer, directors and employees are not currently under investigation by any governmental agency and have not in the last five years been convicted of or found liable for any act prohibited by State or Federal law in any jurisdiction, involving conspiracy or collusion with respect to bidding on any public contract.

- F. No current or previous employee of the County of Sacramento (employed by County of Sacramento within the last calendar year) has been involved or is currently involved in any manner, directly or indirectly, with bidder's response or considerations in responding to this request.

I understand and my firm understands and acknowledges that the above representations are material and important, and will be relied upon by the County of Sacramento in awarding the contract(s) for which this proposal is submitted. I understand and my firm understands that any misstatement in this affidavit is and shall be treated as fraudulent concealment from the County of Sacramento of the true facts relating to the submission of proposals/bids for this contract. Any violation of this certification shall render bidder's response invalid. In such a case, bidder's response will be immediately disqualified.

Confirmed

#### **14. Procurement Opportunities Program - Local and Micro Business Preference**

##### **PURPOSE**

The purpose of the Procurement Opportunities Program is to promote and enhance the utilization of local and small business enterprises in the County's procurement and contracting processes. Small businesses contribute to the overall economic health of the community. Therefore, government has a compelling interest to provide economic opportunity to small businesses. The economic health of the community is dependent upon an active and thriving business community, including both large and small businesses. For this reason, the program is designed to provide procedural assistance and contracting information to any firm wishing to do business with the County. This program is not, however, intended to become a separate activity within the County's procurement and contracting process. It is intended to be an integral part of the County's standard procurement and contracting process.

##### **INCENTIVES**

Service and supply acquisition: For material, supply, construction and/or non-professional service contracts of less than \$1,000,000 processed through the Department of General Services, Contract and Purchasing Services Division, or through the Delegated Purchase Order (DPO) Program. The County of Sacramento will award a two-percent (2%) price or point micro-business preference to State Certified Micro-Business enterprises located within the Sacramento Regional Market Area (Sacramento, El Dorado, Placer, Sutter, Yolo and Yuba Counties), and/or a five-percent (5%) price or point local business preference.

The Delegated Purchase Order program (a delegated purchasing program utilized by department “DPO Buyers”) includes a provision requiring the departments to obtain multiple quotes based on the dollar amount of the purchase. This program will eliminate the quoting requirement if the DPO Buyer issues a DPO to a certified micro-business in the Sacramento Regional Market Area. When obtaining multiple quotes, the DPO Buyer shall apply all applicable preferences stipulated in this program.

### **LOCAL BUSINESS PREFERENCE QUALIFICATIONS**

Pursuant to Sections 2.56.420 and 2.56.440 of the Sacramento County Code, where applicable, a local price or point preference credit of 5% shall be granted to Local Business Enterprises on supply and non-professional service contracts of less than one million dollars (\$1,000,000) to business enterprises located within Sacramento County when evaluating bids for material, supply, construction, and/or non-professional services acquisitions processed through the Department of General Services, Contract and Purchasing Services Division or through the Delegated Purchase Order Program. In order to qualify for local preference, a vendor must meet all of the following criteria (as defined in SCC 2.56.420):

- A. The business maintains its Principal Place of Business within the geographic boundaries of the County of Sacramento.
  - 1. Suppliers and professional truck drivers are not required to maintain their principal place of business within the County, but must maintain a Fixed Office within the County. Suppliers must also maintain a continuously stocked inventory within the County consistent with the type of goods for which the business is seeking a local preference. Professional truck drivers must also park their registered vehicles and trailers within the County when not under contract for use. The business may be required to submit to the County a copy of its rental or lease agreement evidencing its Fixed Office location.
- B. The business must provide 50 percent or more of the contracted product from its own local inventory.
- C. The business must possess a current County of Sacramento business license or a business license from a city within the County. If the business’s Fixed Office is located in a city that does not issue business licenses, the business must be current with the city’s business operations taxes or other business regulations.
- D. The business has been established and conducting business activities in the County for at least six months preceding the due date of the bid/proposal for which a local preference is being sought. The business may be required to submit to the County evidence of its business activities within the Sacramento area during the preceding six months.
- E. The business must have paid sales tax to either a city located within the County or to the County of Sacramento. The business may be required to submit to the County copies of its State of California Board of Equalization sales and use tax returns.

This preference shall also be provided to Sacramento Regional Market Area businesses that meet the criteria of a Local Business Enterprise for the county in which they are located, provided that:

- A. Those criteria are at least as stringent as section 2.56.420(d); and
- B. The county in which such businesses are located also provides pricing preferences to businesses located within Sacramento County.

**Bidders claiming local vendor preference for any Request for Bid, Price Quote, or Request for Proposal must submit an Affidavit of Eligibility (see page 3) with their bid, quote or proposal response, unless an approved affidavit is already on file.**

For questions or assistance relating to the County of Sacramento's Local Vendor Preference Policy, call the Contract & Purchasing Services Division at 916-876-6360 or visit our website at [www.saccountyids.net](http://www.saccountyids.net).

Complete information regarding this program is located on the following website:

<http://www.dgs.saccounty.net/capsd/Pages/County-Purchasing-Code.aspx#2.56.410>

#### **MICRO-BUSINESS PREFERENCE QUALIFICATIONS**

Most County contracts are open to competitive bidding. It is the policy of the County to actively solicit participation by small business enterprises in its procurement and contracting activities. In order for the County to readily find small businesses to solicit, businesses should (1) be certified with the State of California, Office of Small Business and DVBE Services, or reciprocal agency, and (2) register with the State of California, Department of General Services.

The County will accept certifications from the State of California, Office of Small Business and DVBE Services, or reciprocating governmental agencies. The County will accept formal certifications from other agencies within the State of California for documentation purposes. For a firm to be eligible for a two-percent (2%) price preference, it must meet all of the following criteria (as defined in SCC 2.56.420):

- A. formally certified micro-business,
- B. independently owned and operated,
- C. is not dominant in its field of operation,
- D. has its Principal Place of Business located in the Sacramento Regional Market Area,

- E. together with its affiliates, is either a service, construction, or non-manufacturing firm with twenty-five (25) or fewer employees, and
- F. an average annual gross receipts of five million dollars (\$5,000,000) or less over the previous three years.

**ADDENDUM**  
**Cooperative Procurement Alliance Terms**  
**Sacramento County Procurement Alliance (SCOPA)**  
**CONTRACT REQUIREMENTS**

**County of Sacramento (Lead Agency)**

The **Sacramento County Procurement Alliance (SCOPA)** is a procurement alliance formed by the County of Sacramento, Sacramento CA, for the benefit and participation of surrounding entities. The group may include, but is not limited to, entities such as local governments, educational institutions, special districts or non-profits, that have joined together to leverage their joint buying power. By pooling their procurement needs, these agencies can secure better pricing, favorable terms, and a broader range of goods and services, often with reduced administrative burdens.

For awarded suppliers, engaging with an alliance (aka community cooperative) offers significant benefits. Suppliers gain access to a wider customer base through a single point of contact, simplifying the sales and procurement process. This streamlined approach reduces administrative burdens and opens opportunities for suppliers to secure contracts they might not have accessed independently.

Additionally, alliances are designed to support both local and national suppliers, creating opportunities for businesses of all sizes to participate in contracts that emphasize community engagement and economic impact. This inclusive approach allows suppliers to expand their market reach and develop meaningful relationships within the community. By partnering with an alliance/cooperative, suppliers can benefit from a collaborative environment that values their contributions and promotes sustained growth and ongoing collaboration

**Administrative Operating Services Provider to SCOPA**

The resulting Master Agreement(s) awarded by this solicitation will be administered by **SCOPA** in partnership with Bespoke Community Cooperatives, LLC (“BESPOKE”). BESPOKE is a public benefit corporation providing administrative operating services for procurement agencies (local governments, educational institutions, special districts or non-profits, etc.) that have entered into an agreement to procure jointly or on behalf of other procurement entities. These organizations are known as Community Cooperatives (or Alliances, Consortium, etc.). **SCOPA** utilizes BESPOKE services to support the cooperative nature of this Solicitation and to benefit the awarded supplier(s).

**Cooperative Procurement with Other Jurisdictions**

The Master Agreement(s) awarded under this Solicitation by **SCOPA** member **County of Sacramento** (Designated as the Lead Procurement Agency or “LPA” for this solicitation, may, at BESPOKE’s sole discretion, be made available to additional Participating Agencies (“PAs”) on a local, regional, or national level. These entities will operate under the same terms and pricing as **SCOPA**, including Administrative Fee and Sales Reporting provisions. PAs may include but aren’t limited to municipalities, counties, states, higher education institutions, public authorities, councils of government, regional governments, public health institutions, or other eligible public agencies, educational institutions and non-profit organizations.

**Participating Procurement Agency (PA) Contracting Authority Explained:**

**1. Cooperative Purchasing**

This Solicitation is being conducted by LPA **County of Sacramento** on behalf of **SCOPA**’s Member PAs and allows for purchasing by additional PAs from the resulting Master Agreement. This is referred to as “cooperative purchasing,” and the Master Agreement is considered to be a “cooperative contract.” This type of purchasing is a generally accepted procurement method recognized under state and federal law.

**2. How Other Agencies Can Use This Contract**

If an agency (such as a city, school district, higher education institution, or county) wants to use this contract, it first needs to register as a Participating Agency (PA) through BESPOKE’s Administrative

Services Program by signing the BESPOKE Master Intergovernmental Cooperative Purchasing Agreement (MICPA), available at [www.bespokecommunity.org](http://www.bespokecommunity.org). BESPOKE and SCOPA facilitate the contract's cooperative framework but are not involved in individual purchase orders or participating agreements—awarded supplier(s)' primary relationship will be with each agency that utilizes the contract.

3. **Agency-Specific Terms and Conditions**

Each PA may negotiate mutually agreed upon terms that respect the conditions of this Solicitation and resulting Master Agreement directly with the awarded supplier(s), allowing them to tailor the contract to meet their individual agency requirements and policies. A PA may also create their own entirely new contract that references this procurement.

4. **Supplier Administrative Fees**

All fees associated with servicing the awarded contracts(s) are clearly and solely outlined in this Solicitation and shall be collected by BESPOKE on behalf of SCOPA. These fees are separate from the agency-specific terms and conditions that may be negotiated with specific PAs; no additional supplier administrative fees may be charged by a PA.

5. **Local Customization Options**

Certain Solicitation or contract terms that apply specifically to **County of Sacramento** such as governing law, may be adjusted for each PA. PAs may also request additional agreements for specific needs like delivery schedules, invoicing requirements, or support for local diversity initiatives.

6. **Direct Transactions with Each Agency**

All transactions—such as orders, invoices, and payments—will be managed directly between the awarded supplier(s) and each PA. BESPOKE and SCOPA do not manage these transactions; each PA handles its own purchase orders or participating agreements with the awarded supplier(s) directly.

7. **Procurement Compliance**

Each PA has full discretion and responsibility for any purchases made under this contract and must ensure its participation in the Master Agreement aligns with the requirements governing its own procurements. **County of Sacramento** certifies that its administration of this cooperative contract complies with the requirements governing its procurement of the Products identified in this Solicitation. Any PA participating in or purchasing from the contract is therefore deemed by law to have complied with the requirements governing their own procurement activities, and a separate procurement by each PA is generally not required.

**Servicing Requirements**

Awarded suppliers must provide services to **County of Sacramento**, (and any SCOPA Members whose requirements are specifically included in this Solicitation) in full compliance with the legal terms of this Solicitation and resulting Master Agreements. Awarded suppliers are encouraged but not required to service other SCOPA members or PA's that may participate through the BESPOKE Administrative Services Program.

**Geographic Reach**

If awarded, does the Bidder agree to provide the Products to any Participating Agency that participates in or is represented through the BESPOKE Administrative Services Program under the terms described above based on the following conditions? SCOPA's goal is to help awarded suppliers grow by being able to utilize this cooperative agreement to provide Products to other members and PAs. *(Responses will not affect your ability to win this business.)*

If awarded, supplier agrees to service the following geographic areas:

Up to 50 miles outside of the Sacramento, CA area?

Yes  No

Greater than 50 miles outside of the Sacramento, CA area?

Yes  No  Distance (miles) (specific counties/areas/states serviced) \_\_\_\_\_

Nationwide?

Yes  No

**Administrative Fees**

By submitting a response to this Solicitation, the Bidder acknowledges that awarded suppliers must pay SCOPA an Administrative Fee of three percent (3%) of the total sales made to the SCOPA Member Agencies and other PA's utilizing the resulting Master Agreement. Fees only accrue when sales are made via the Master Agreement. All payments will be remitted to BESPOKE on a quarterly basis. The method for remitting payment will be provided to successful bidders following the award of the Master Agreement.

**INITIAL HERE:** 

In return for the administrative fee paid to BESPOKE on behalf of SCOPA based on sales, awarded suppliers may receive the following benefits:

- Exposure to all members of SCOPA.
- Marketing support by BESPOKE to members of SCOPA and participating entities outside of SCOPA based on the awarded supplier's capabilities and desire to support additional geographic areas.
- Training resources to help suppliers position their awarded contract to entities who may find it valuable.
- Data usage trends by SCOPA and participating entities utilizing this Master Agreement.

**Monthly Sales Reporting Requirement**

Awarded contractors are required to provide monthly sales reports to BESPOKE detailing all sales made under the Master Agreements resulting from this Solicitation. The reports must include purchasing entities, items or services sold, quantities, total sales value, and the Administrative Fees due to BESPOKE for the month's sales. Reports must follow the format provided by BESPOKE and be submitted by the 15th of each month for the previous month's sales. Failure to comply with these reporting requirements may result in contract termination or penalties by SCOPA. Reports will be submitted via email to an email address provided to the awarded Contractors by BESPOKE.

Contractor agrees to maintain records that support its obligations under the Master Agreement and orders placed by PAs under it, and shall preserve all such records for a period of five (5) years following expiration or termination of this Master Agreement or final payment for any order placed by a PA against this Master Agreement, whichever is later.

**INITIAL HERE:** 

**Audit and Inspection of Records**

The LPA reserves the right to audit, or have a designated third-party audit, applicable records to ensure that Contractor has properly invoiced PAs, reported all sales made via this Master Agreement as required and that Contractor has paid all applicable contract management fees. Accordingly, Contractor shall permit LPA, and PA, and any duly authorized agent of a governmental agency, to audit, inspect, examine, copy and/or transcribe Contractor's books, documents, papers and records directly pertinent to this Master Agreement or orders placed by a PA under it for the purpose of making audits, examinations, excerpts, and transcriptions.

This right shall survive for a period of five (5) years following expiration or termination of this Master Agreement or final payment for any order placed by a PA against this Master Agreement, whichever is later; Provided, however, that if any litigation, claim, or audit is commenced prior to the expiration of this period, such period shall extend until all such litigation, claims or audits have been resolved.

### SECTION 1: IDENTIFICATION

#### 1.1. Product Identifier

**Product Form:** Mixture

**Product Name:** Performance Plus HD Extended Life (RED) NMOAT Prediluted Antifreeze/Coolant – 50/50 Blend

**Product Code:** 640062, 6462, 640262

**Synonyms:** Not available.

**SDS No:** 820291

#### 1.2. Intended Use of the Product

Antifreeze. Nitrate and molybdate containing organic acid technology (OAT) formulation for newer heavy duty diesel applications. Fully formulated – do not add Supplemental Coolant Additives (SCAs) at initial fill. Meets performance requirements of ASTM D6210. DO NOT ADD WATER. If this product is used in combination with other products, refer to the Safety Data Sheet for those products.

#### 1.3. Name, Address, and Telephone of the Responsible Party

### SECTION 2: HAZARDS IDENTIFICATION

#### 2.1. Classification of the Substance or Mixture

##### GHS-US/CA Classification

Acute toxicity (oral) Category 4	H302
Reproductive toxicity Category 2	H361
Specific target organ toxicity (repeated exposure) Category 2	H373

#### 2.2. Label Elements

##### GHS-US/CA Labeling

##### Hazard Pictograms (GHS-US/CA)

##### Signal Word (GHS-US/CA)

: Warning

##### Hazard Statements (GHS-US/CA)

: H302 - Harmful if swallowed.  
H361 - Suspected of damaging fertility or the unborn child.  
H373 - May cause damage to organs (central nervous system, heart, liver, kidneys, respiratory system) through prolonged or repeated exposure.

##### Precautionary Statements (GHS-US/CA)

: P201 - Obtain special instructions before use.  
P202 - Do not handle until all safety precautions have been read and understood.  
P260 - Do not breathe vapors, mist, or spray.  
P263 - Avoid contact during pregnancy/while nursing.  
P264 - Wash hands, forearms, and other exposed areas thoroughly after handling.  
P270 - Do not eat, drink or smoke when using this product.  
P280 - Wear protective gloves, protective clothing, and eye protection.  
P301+P310 - IF SWALLOWED: Immediately call a POISON CENTER or doctor.  
P304+P340 - IF INHALED: Remove person to fresh air and keep comfortable for breathing.

Product contains 60 to 100 ppm denatonium benzoate bittering agent (3734-33-6) which has been added to help prevent ingestion by humans and animals.

## SECTION 4: FIRST AID MEASURES

### 4.1. Description of First-aid Measures

**General:** Never give anything by mouth to an unconscious person. If you feel unwell, seek medical advice (show the label where possible).

**Inhalation:** When symptoms occur: go into open air and ventilate suspected area. Obtain medical attention if breathing difficulty persists.

**Skin Contact:** Remove contaminated clothing. Drench affected area with water for at least 5 minutes. If exposed or concerned: Get medical advice/attention.

**Eye Contact:** Rinse cautiously with water for at least 5 minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Obtain medical attention if irritation develops or persists.

**Ingestion:** Rinse mouth. Do NOT induce vomiting. Obtain medical attention.

# Performance Plus HD Extended Life (RED) NMOAT Prediluted Antifreeze/Coolant – 50/50 Blend

## Safety Data Sheet

According To Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules And Regulations And According To The Hazardous Products Regulation (February 11, 2015).

### 4.2. Most Important Symptoms and Effects Both Acute and Delayed

**General:** Suspected of damaging fertility or the unborn child. May cause damage to organs through prolonged or repeated exposure. Harmful if swallowed.

**Inhalation:** Prolonged exposure may cause irritation.

**Skin Contact:** Prolonged exposure may cause skin irritation.

**Eye Contact:** May cause slight irritation to eyes.

**Ingestion:** This material is harmful orally and can cause adverse health effects or death in significant amounts.

**Chronic Symptoms:** Suspected of damaging fertility or the unborn child. May cause damage to organs (heart, central nervous system, liver, kidneys, respiratory system) through prolonged or repeated exposure.

### 4.3. Indication of Any Immediate Medical Attention and Special Treatment Needed

Ethylene glycol is rapidly absorbed after oral ingestion, and is metabolized by alcohol dehydrogenase to various metabolites including glycoaldehyde, glycolic acid, and oxalic acid. The signs and symptoms in ethylene glycol poisoning are those of metabolic acidosis, central nervous system depression, and kidney damage. Some symptoms may be delayed in appearance; therefore, prompt pre-hospital and hospital treatment is of great importance. The currently recommended medical management of ethylene glycol poisoning includes elimination of ethylene glycol and metabolites, correction of metabolic acidosis, and prevention of kidney injury. As a competitive substrate for alcohol dehydrogenase, ethanol is antidotal when given in the early stages of intoxication because it blocks the formation of nephrotoxic metabolites. A more effective intravenous antidote is 4-methylpyrazole, a potent inhibitor of alcohol dehydrogenase, which effectively blocks the formation of toxic metabolites. Pyridoxine and thiamine may be of value as supporting therapy. Hemodialysis may be of benefit for treating metabolic acidosis, or in presentations of renal insufficiency. Use of activated charcoal is generally of no benefit in Ethylene glycol poisoning given the rapid absorption of the substance. Pulmonary edema with hypoxia has been described in a number of patients following ethylene glycol poisoning. Respiratory support with mechanical ventilation and positive end expiratory pressure may be required. There may be cranial nerve involvement in the later stages of toxicity from swallowing ethylene glycol. Effects have been reported presenting bilateral facial paralysis, diminished hearing, and dysphagia. Consultation with a nephrologist and/or medical toxicologist is highly recommended in all cases of ethylene glycol ingestion.

## SECTION 5: FIRE-FIGHTING MEASURES

### 5.1. Extinguishing Media

**Suitable Extinguishing Media:** Water spray, fog, carbon dioxide (CO<sub>2</sub>), alcohol-resistant foam, or dry chemical.

**Unsuitable Extinguishing Media:** Do not use a heavy water stream. Use of heavy stream of water may spread fire.

### 5.2. Special Hazards Arising From the Substance or Mixture

**Fire Hazard:** Not considered flammable but may burn at high temperatures.

**Explosion Hazard:** Product is not explosive.

**Reactivity:** Hazardous reactions will not occur under normal conditions.

### 5.3. Advice for Firefighters

**Precautionary Measures Fire:** Exercise caution when fighting any chemical fire.

**Firefighting Instructions:** Use water spray or fog for cooling exposed containers.

**Protection During Firefighting:** Do not enter fire area without proper protective equipment, including respiratory protection.

**Hazardous Combustion Products:** Carbon Monoxide, Carbon Dioxide and Oxides of Nitrogen (NO<sub>x</sub>). Potassium oxides. Sodium oxides. Unidentified organic compounds.

### 5.4. Reference to Other Sections

Refer to Section 9 for flammability properties.

## SECTION 6: ACCIDENTAL RELEASE MEASURES

### 6.1. Personal Precautions, Protective Equipment and Emergency Procedures

**General Measures:** Do not get in eyes, on skin, or on clothing. Do not breathe vapor, mist or spray.

#### 6.1.1. For Non-Emergency Personnel

**Protective Equipment:** Use appropriate personal protective equipment (PPE).

**Emergency Procedures:** Evacuate unnecessary personnel.

#### 6.1.2. For Emergency Personnel

**Protective Equipment:** Equip cleanup crew with proper protection.

# Performance Plus HD Extended Life (RED) NMOAT Prediluted Antifreeze/Coolant – 50/50 Blend

## Safety Data Sheet

According To Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules And Regulations And According To The Hazardous Products Regulation (February 11, 2015).

**Emergency Procedures:** Ventilate area. Upon arrival at the scene, a first responder is expected to recognize the presence of dangerous goods, protect oneself and the public, secure the area, and call for the assistance of trained personnel as soon as conditions permit.

### 6.2. Environmental Precautions

Prevent entry to sewers and public waters.

### 6.3. Methods and Materials for Containment and Cleaning Up

**For Containment:** Stop leak, if possible without risk. Do not touch or walk on the spilled product. Contain any spills with dikes or absorbents to prevent migration and entry into sewers or streams.

**Methods for Cleaning Up:** Absorb and/or contain spill with inert material. Transfer spilled material to a suitable container for disposal. Clean up spills immediately and dispose of waste safely. Contact competent authorities after a spill.

### 6.4. Reference to Other Sections

See Section 8 for exposure controls and personal protection and Section 13 for disposal considerations.

## SECTION 7: HANDLING AND STORAGE

### 7.1. Precautions for Safe Handling

**Precautions for Safe Handling:** Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking and when leaving work. Do not get in eyes, on skin, or on clothing. Do not breathe vapors, spray, mist. Handle empty containers with care because they may still present a hazard.

**Hygiene Measures:** Handle in accordance with good industrial hygiene and safety procedures.

### 7.2. Conditions for Safe Storage, Including Any Incompatibilities

**Technical Measures:** Comply with applicable regulations.

**Storage Conditions:** Keep container closed when not in use. Store in a dry, cool place. Keep/Store away from direct sunlight, extremely high or low temperatures and incompatible materials. Store locked up/in a secure area.

**Incompatible Materials:** Strong acids, strong bases, strong oxidizers.

### 7.3. Specific End Use(s)

Antifreeze. Nitrate and molybdate containing organic acid technology (OAT) formulation for newer heavy duty diesel applications. Fully formulated – do not add Supplemental Coolant Additives (SCAs) at initial fill. Meets performance requirements of ASTM D6210. DO NOT ADD WATER. If this product is used in combination with other products, refer to the Safety Data Sheet for those products.

## SECTION 8: EXPOSURE CONTROLS/PERSONAL PROTECTION

### 8.1. Control Parameters

For substances listed in section 3 that are not listed here, there are no established exposure limits from the manufacturer, supplier, importer, or the appropriate advisory agency including: ACGIH (TLV), AIHA (WEEL), NIOSH (REL), OSHA (PEL), or Canadian provincial governments.

## 8.2. Exposure Controls

**Appropriate Engineering Controls:** Suitable eye/body wash equipment should be available in the vicinity of any potential exposure. Ensure adequate ventilation, especially in confined areas. Ensure all national/local regulations are observed.

**Personal Protective Equipment:** Gloves. Protective clothing. Safety glasses with side-shields. Insufficient ventilation: wear respiratory protection.

**Materials for Protective Clothing:** Chemically resistant materials and fabrics.

**Hand Protection:** Wear protective gloves.

**Eye and Face Protection:** Safety glasses with side-shields.

**Skin and Body Protection:** Wear suitable protective clothing.

**Respiratory Protection:** If exposure limits are exceeded or irritation is experienced, approved respiratory protection should be worn. In case of inadequate ventilation, oxygen deficient atmosphere, or where exposure levels are not known wear approved respiratory protection.

**Other Information:** When using, do not eat, drink or smoke.

## Safety Data Sheet

According To Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules And Regulations And According To The Hazardous Products Regulation (February 11, 2015).

**Symptoms/Injuries After Skin Contact:** Prolonged exposure may cause skin irritation.

**Symptoms/Injuries After Eye Contact:** May cause slight irritation to eyes.

**Symptoms/Injuries After Ingestion:** This material is harmful orally and can cause adverse health effects or death in significant amounts.

**Chronic Symptoms:** Suspected of damaging fertility or the unborn child. May cause damage to organs (heart, central nervous system, liver, kidneys, respiratory system) through prolonged or repeated exposure.

### 11.2. Information on Toxicological Effects - Ingredient(s)

#### LD50 and LC50 Data:

<b>Ethylene glycol (107-21-1)</b>	
LD50 Oral Rat	4700 mg/kg
LD50 Dermal Rat	10600 mg/kg
LC50 Inhalation Rat	> 2.5 mg/L (Exposure time: 6 h)
<b>Tolyltriazole, sodium salt (64665-57-2)</b>	
LD50 Oral Rat	735 mg/kg (Species: Sprague-Dawley)
LD50 Dermal Rabbit	> 2000 mg/kg
<b>Diethylene glycol (111-46-6)</b>	
LD50 Oral Rat	12565 mg/kg
LD50 Dermal Rabbit	11890 mg/kg
LC50 Inhalation Rat	> 4600 mg/m <sup>3</sup> (Exposure time: 4 h)

## SECTION 12: ECOLOGICAL INFORMATION

### 12.1. Toxicity

Ecology - General: Not classified.

<b>Ethylene glycol (107-21-1)</b>	
LC50 Fish 1	41000 mg/L (Exposure time: 96 h - Species: Oncorhynchus mykiss)
EC50 - Crustacea [1]	46300 mg/L (Exposure time: 48 h - Species: Daphnia magna)
LC50 Fish 2	14 – 18 ml/L (Exposure time: 96 h - Species: Oncorhynchus mykiss [static])
<b>Tolyltriazole, sodium salt (64665-57-2)</b>	
LC50 Fish 1	180 mg/L (Read across)
EC50 - Crustacea [1]	8.58 mg/L (Read across)
<b>Diethylene glycol (111-46-6)</b>	
LC50 Fish 1	75200 mg/L (Exposure time: 96 h - Species: Pimephales promelas [flow-through])
EC50 - Crustacea [1]	84000 mg/L (Exposure time: 48 h - Species: Daphnia magna)

### 12.2. Persistence and Degradability

<b>Performance Plus HD Extended Life (RED) NMOAT Prediluted Antifreeze/Coolant – 50/50 Blend</b>	
Persistence and Degradability	Not established.

### 12.3. Bioaccumulative Potential

<b>Performance Plus HD Extended Life (RED) NMOAT Prediluted Antifreeze/Coolant – 50/50 Blend</b>	
Bioaccumulative Potential	Not established.

<b>Ethylene glycol (107-21-1)</b>	
Partition coefficient n-octanol/water (Log Pow)	-1.36
<b>Tolyltriazole, sodium salt (64665-57-2)</b>	
Partition coefficient n-octanol/water (Log Pow)	1.083 - <=1.091 - at 25 °C (77 °F) (at pH >5-<6)
<b>Diethylene glycol (111-46-6)</b>	
BCF Fish 1	100 – 180
Partition coefficient n-octanol/water (Log Pow)	-1.98 (at 25 °C) (77 °F)

## Safety Data Sheet

According To Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules And Regulations And According To The Hazardous Products Regulation (February 11, 2015).

### 12.4. Mobility in Soil

No additional information available

### 12.5. Other Adverse Effects

**Other Information:** Avoid release to the environment.

## SECTION 13: DISPOSAL CONSIDERATIONS

### 13.1. Waste treatment methods

**Waste Treatment Methods:** Incineration is the preferred method for disposal of waste product.

**Sewage Disposal Recommendations:** Do not empty into drains. Do not dispose of waste into sewer.

**Waste Disposal Recommendations:** Dispose of contents/container in accordance with local, regional, national, territorial, provincial, and international regulations.

**Ecology - Waste Materials:** Avoid release to the environment.

## SECTION 14: TRANSPORT INFORMATION

The shipping description(s) stated herein were prepared in accordance with certain assumptions at the time the SDS was authored, and can vary based on a number of variables that may or may not have been known at the time the SDS was issued.

### 14.1. In Accordance with DOT

**Shipments of less than 1132 US gallons (4284 Liters):**

Not regulated for transport

**Shipments of greater than or equal to 1132 US gallons (4284 Liters):**

**Proper Shipping Name** : ENVIRONMENTALLY HAZARDOUS SUBSTANCES, LIQUID, N.O.S. (Ethylene Glycol)

**Hazard Class** : 9

**Identification Number** : UN3082

**Label Codes** : 9

**Packing Group** : III

**ERG Number** : 171

### 14.2. In Accordance with IMDG

Not regulated for transport

### 14.3. In Accordance with IATA

Not regulated for transport

### 14.4. In Accordance with TDG

Not regulated for transport

## SECTION 15: REGULATORY INFORMATION
