SCoPA CONTRACT REQUIREMENTS

Arborist and Tree Care Services

SCoPA is a procurement alliance formed by Sacramento County, Sacramento, CA for the benefit and participation of surrounding entities. The group may include, but is not limited to, entities such as local governments, educational institutions, special districts or non-profits, that have joined together to leverage their joint buying power. By pooling their procurement needs, these agencies can secure better pricing, favorable terms, and a broader range of goods and services, often with reduced administrative burdens.

For awarded suppliers, partnering with SCoPA offers substantial benefits. Suppliers gain access to a broader customer base through a single, competitively awarded contract, simplifying both sales and procurement processes. This streamlined structure opens doors to new business opportunities and reduces the complexity and cost of pursuing multiple independent contracts.

SCoPA contracts are designed to support both local and national suppliers, providing opportunities for businesses of all sizes to participate in meaningful, community-focused procurement. This inclusive model fosters local economic impact, enhances supplier visibility, and builds long-term relationships between vendors and PAs.

Administrative Operating Services Provider to SCoPA

The resulting Master Agreement(s) awarded by this competitively bid solicitation (2025-RFP-0059) will be administered by SCoPA in partnership with Bespoke Community Cooperatives, LLC (“BESPOKE”). BESPOKE is a public benefit corporation providing administrative operating services for procurement agencies (local governments, educational institutions, special districts or non-profits, etc.) that have entered into an agreement to procure jointly or on behalf of other procurement entities. These organizations are known as Community Cooperatives (or Alliances, Consortium, etc.) SCoPA utilizes BESPOKE services to support the cooperative nature of this Solicitation and to benefit the awarded supplier(s).

Cooperative Procurement with Other Jurisdictions

The Master Agreement(s) awarded under this Solicitation by SCoPA member **Sacramento County** (Designated as the Lead Procurement Agency or “LPA” for this solicitation), will be made available to additional Participating Agencies (“PAs”) on a local, regional, or national level. These entities will operate under the same terms and pricing as SCoPA, including Administrative Fee and Sales Reporting provisions. PAs may include but aren’t limited to municipalities, counties, states, higher education institutions, public authorities, councils of government, regional governments, public health institutions, or other eligible public agencies, educational institutions and non-profit organizations.

Participating Procurement Agency (PA) Contracting Authority Explained:

1. Cooperative Purchasing

This Solicitation is being conducted by LPA **Sacramento County** on behalf of SCoPA’s Member PAs and allows for purchasing by additional PAs from the resulting Master Agreement. This is referred to as “cooperative purchasing,” and the Master Agreement is considered to be a “cooperative contract.” This type of purchasing is a generally accepted procurement method recognized under state and federal law.

2. How Other Agencies Can Use This Contract

If an agency (such as a city, school district, higher education institution, or county) wants to use this contract, it first needs to register as a Participating Agency (PA) through BESPOKE’s Administrative Services Program by signing the BESPOKE Master Intergovernmental Cooperative Purchasing Agreement (MICPA), available at www.bespokecommunity.org. BESPOKE and SCoPA facilitate the contract’s

cooperative framework but are not involved in individual purchase orders or participating agreements—awarded supplier(s)' primary relationship will be with each agency that utilizes the contract.

3. **Agency-Specific Terms and Conditions**

Each PA may negotiate mutually agreed upon terms that respect the conditions of this Solicitation and resulting Master Agreement directly with the awarded supplier(s), allowing them to tailor the contract to meet their individual agency requirements and policies. A PA may also create their own entirely new contract that references this procurement.

4. **Supplier Administrative Fees**

All fees associated with servicing the awarded contracts(s) are clearly and solely outlined in this Solicitation and shall be collected by BESPOKE on behalf of SCoPA. These fees are separate from the agency-specific terms and conditions that may be negotiated with specific PAs; no additional supplier administrative fees may be charged by a PA.

5. **Local Customization Options**

Certain Solicitation or contract terms that apply specifically to **Sacramento County** such as governing law, may be adjusted for each PA. PAs may also request additional agreements for specific needs like delivery schedules, invoicing requirements, or support for local diversity initiatives.

6. **Direct Transactions with Each Agency**

All transactions—such as orders, invoices, and payments—will be managed directly between the awarded supplier(s) and each PA. BESPOKE and SCoPA do not manage these transactions; each PA handles its own purchase orders or participating agreements with the awarded supplier(s) directly.

7. **Procurement Compliance**

Each PA has full discretion and responsibility for any purchases made under this contract and must ensure its participation in the Master Agreement aligns with the requirements governing its own procurements. **Sacramento County** certifies that its administration of this cooperative contract complies with the requirements governing its procurement of the Products/Services identified in this Solicitation. Any PA participating in or purchasing from the contract is therefore deemed by law to have complied with the requirements governing their own procurement activities, and a separate procurement by each PA is generally not required.
