Vendor invoices and contractor timesheets must match.

Any public entity as defined by Section 811.2 having a liquidated claim against any other public entity based on contract or statute of the State of California, or any person having such a claim against a public agency, shall be entitled to interest commencing the 61st day after such public entity or person files a liquidated claim known or agreed to be valid when filed pursuant to such statute or contract, and such claim is due and payable. Sacramento County and the vendor shall negotiate in good faith to resolve any disputed invoices, or portions thereof.

CONFIDENTIALITY AND SECURITY:

Any contractor engaging in any IT service for the County requiring them to come into contact with confidential County information will be required to hold confidential such data made available to them. Contractors may be required to pass a security background check performed by the County Sheriff's Department and hold a clearance to be placed at the County. This is required by most Contracting Agencies/Departments in the County.

Vendor and contractors who provide unsatisfactory services shall be removed from County assignment immediately upon notice of unsatisfactory performance.

ILLNESS:

County has the ability, at its sole discretion, to send a contractor home for illness or conduct detrimental to the workplace. County may require a doctor's note stating the contractor is not contagious and otherwise able to return to the workplace before the contractor is allowed to return.

INDEMNIFICATION:

To the fullest extent permitted by law, for work or services provided under this Agreement, Proposer shall indemnify, defend, including with counsel reasonably acceptable to County, and hold harmless County, its governing Board, officers, directors, officials, employees, and authorized volunteers and agents (collectively "Indemnified Parties"), from and against any and all claims, demands, actions, losses, liabilities, damages, and all expenses and costs incidental thereto (collectively "Claims"), including cost of defense, settlement, arbitration, and reasonable attorneys' fees, resulting from injuries to or death of persons, including but not limited to employees of either Party hereto, and damage to or destruction of property, or loss of use or reduction in value thereof, including but not

limited to the property of either Party hereto, arising out of, pertaining to, or relating to the alleged or actual error or omission, negligence, recklessness, willful misconduct, infringement of intellectual property rights, breach of trust, breach of confidentiality, unauthorized use or disclosure of data, breach of statutory or regulatory law, or other breach of its duties under this Agreement by Proposer, its employees, Proposer's subconsultants or subcontractors at any tier, or any other party for which Proposer is legally liable under law, excepting only such injury, death, or damage, to the extent it is caused by the negligence of an Indemnified Party. Proposer shall not be liable for Claims caused by the sole negligence or willful misconduct of an Indemnified Party. This indemnity shall include claims made by a third party arising from the unauthorized use of any copyrighted composition, secret process, patented or unpatented invention, articles, or appliances furnished or used in the performance of this Agreement.

The right to defense and indemnity under this Section shall initiate upon occurrence of an event giving rise to a Claim and tendered in writing to Proposer. Proposer shall defend the Indemnified Parties with counsel reasonably acceptable to County. Notwithstanding the foregoing, County shall be entitled, on its own behalf, and at the expense of Proposer, to assume control of its defense or the defense of any Indemnified Party in any legal action, with counsel reasonably selected by it. Should County elect to initially assume control of its defense, or the defense of any Indemnified Party, it does so without prejudice to its right to subsequently require that Proposer thereafter assume control of the defense and pay all reasonable attorneys' fees and costs incurred thereby.

This indemnity obligation shall not be limited by the types and amounts of insurance or self-insurance maintained by Proposer or Proposer's subconsultants or subcontractors at any tier.

Nothing in this Indemnity obligation shall be construed to create any duty to, any standard of care with reference to, or any liability or obligation, contractual or otherwise, to any third party.

The provisions of this Indemnity obligation shall survive the expiration or termination of the Agreement.

Precedence - In the event of contradictions or conflicts between the provisions of the documents comprising the Contract, they will be resolved by giving precedence in the following order:

- the provisions of the Contract (as it may be amended);
- the provisions of the bidder's response (as it may be amended);
- the provisions of the RFP (as it may be amended).

Ordering- A Contract Shipping Order or purchase order will be sent to the vendor once a candidate has been chosen related to a request for resumes. The Contract Shipping Order or purchase order may be submitted to the vendor via fax or email.

Invoicing - The Vendor shall submit original invoices to the ordering entity as specified on the purchase order (CSO - Contract Shipping Order).

All invoices shall include a Contract Shipping Order (CSO) number, name of Vendor, name of candidate placed at the Contracting Agency/Department, date of invoice, and vendor's unique invoice number.

Contract Term - The term of this contract shall be for a period of one (1) year effective as of the effective date, January 1, 2024 through December 31, 2024. The County reserves the right to extend this contract for four additional one-year terms at the same pricing, terms and conditions.

Contract changes - At the end of the initial term the County shall retain the right to add, delete or change IT Staffing Groups or Special Project Group requirements under an awarded contract and may do so upon giving a thirty (30) day written notification to Vendor. If these changes cause an increase or a reduction in the cost of an awarded contract, said cost shall be readjusted and, when agreed upon, incorporated into an awarded Contract.

Unrestricted quantities: The County is not limited to purchasing all of its IT Staffing or Special Project requirements from any Contract(s) resulting from this agreement.

Termination:

A.COUNTY or Vendor may terminate this Contract without cause upon thirty (30) days written notice to the other party. Notice shall be deemed served on the date of mailing. If notice of termination for cause is given by COUNTY to Vendor and it is later determined that Vendor was not in default or the default was excusable, then the notice of termination shall be deemed to have been given without cause pursuant to this paragraph (A).

B.COUNTY or Vendor may terminate this Contract for cause immediately upon giving written notice to the other party should either party materially fail to perform any of the covenants contained in this Contract in the time and/or manner specified. In the event of such termination, COUNTY or Vendor may proceed with the work in any manner deemed proper by COUNTY. If notice of termination for cause is given by COUNTY to Vendor and it is later determined that Vendor was not in default or the default was excusable, then the notice of termination shall be deemed to have been given without cause pursuant to paragraph (A) above.

C.COUNTY may terminate or amend this Contract immediately upon giving written notice to Vendor, if advised that funds are not available from external sources for this Vendor for any portion hereof, or if funds in COUNTY'S yearly proposed and final budget are not appropriated by COUNTY for this Vendor any portion hereof.

D.If this Contract is terminated under paragraph A or C above, Vendor shall only be paid for any services completed and provided prior to notice of termination. In the event of termination under paragraph A or C above, Vendor shall be paid an amount which bears the same ratio to the total compensation authorized by the Contract as the services actually performed bear to the total services of Vendor covered by this Agreement, less payments of compensation previously made. In no event, however, shall COUNTY pay Vendor an amount which exceeds a pro rata portion of the Agreement total based on the portion of the Contract term that has elapsed on the effective date of the termination.

E. Contractor shall not incur any expenses under this Contract after notice of termination and shall cancel any outstanding expenses obligations to a third party that Vendor can legally cancel.

Terms of sale: Net 30 days

Independent contractor

A. It is understood and agreed that Contractor (including Contractor's employees) is an independent contractor and that no relationship of employer-employee exists between the parties hereto. Contractor's assigned personnel shall not be entitled to any benefits payable to employees of County. County is not required to make any deductions or withholdings from the compensation payable to Contractor under the provisions of this agreement; and as an independent contractor, Contractor hereby indemnifies and holds County harmless from any and all claims that may be made against County based upon any contention by any third party that an employer-employee relationship exists due to this agreement.

B. It is further understood and agreed by the parties hereto that Contractor in the performance of its obligation hereunder is subject to the control or direction of County as to the designation of tasks to be performed, the results to be accomplished by the services hereunder agreed to be rendered and performed, and not the means, methods, or sequence used by Contractor for accomplishing the results.

C. If, in the performance of this agreement, any third persons are employed by Contractor, such person shall be entirely and exclusively under the direction, supervision, and control of Contractor. All terms of employment, including hours, wages, working conditions, discipline, hiring, and discharging, or any other terms of employment or requirements of law, shall be determined by Contractor.

D. It is further understood and agreed that as an independent contractor and not an employee of County, neither the Contractor nor Contractor's assigned personnel shall have any entitlement as a County employee, right to act on behalf of County in any capacity whatsoever as agent, nor to bind County to any obligation whatsoever.

E. It is further understood and agreed that Contractor must issue W-2 and 941 forms for income and employment tax purposes, for all of Contractor's assigned personnel under the terms and conditions of this agreement.

Benefits Waiver

If Contractor is unincorporated, Contractor acknowledges and agrees that Contractor is not entitled to receive the following benefits and/or compensation from County: medical, dental, vision and retirement benefits, life and disability insurance, sick leave, bereavement leave, jury duty leave, parental leave, or any other similar benefits or compensation otherwise provided to permanent civil service employees pursuant to the County Charter, the County Code, the Civil Service Rule, the Sacramento County Employees Retirement System and/or any and all memoranda of understanding between COUNTY and its employee organizations. Should Contractor or any employee or agent of Contractor seek to obtain such benefits from County, Contractor agrees to indemnify and hold harmless County from any and all claims that may be made against County for such benefits.

Funding Out

The County represents that it is a government agency, and using department has obtained all requisite approvals and authority to enter and perform its obligations hereunder, including, without limitation, the obligation to make initial payment or payments required to be made hereunder on the date or dates upon which such initial payment or payments may become due during current fiscal year. With respect to any subsequent payment which may be required to be made hereunder in any subsequent fiscal year, the parties acknowledge that the County authority to make such subsequent payment may be contingent upon appropriation to the

using department by relevant government agencies or legislative authorities of funds sufficient for such purpose. If such additional sufficient funds are not so appropriated to the using department, either vendor or the County may terminate this contract as the first day of the applicable subsequent fiscal year of the County with respect to which such sufficient funds are not made available. The County agrees (a) not to effect such termination for the purpose of replacing the service with an equivalent service or service supplied by others, and (b) to use its best efforts to obtain such sufficient funds by taking all appropriate action to effect the appropriation of such additional sufficient funds. Upon such termination, the County shall immediately cease all use of the service and return to vendor.

COMPENSATION:

County shall pay Vendor at the rate negotiated at the time of assignment based on hours worked by contract personnel (or the fixed fee for special projects). Rates will not exceed the rate negotiated at the time of initial assignment for the duration of placement. The rates negotiated must include all of the vendor's salary, overhead, incidental expenses, and profit. County shall not be liable to the Vendor or any of the vendor's employees for any benefits or additional compensation or payments. Any hours worked in excess of eight (8) hours per person per day or in excess of forty (40) hours per person per week shall be compensated at the rate negotiated at time of assignment, unless such person is eligible for overtime pay due to laws applicable at the time of assignment. Vendor must identify all persons who are eligible for overtime pay and the associated rate every time the person is submitted to the County as a possible candidate. This information will be used by the Contracting Agency/Department in their selection process. If the vendor's employee is not subject to overtime pay, County shall compensate the vendor for each hour worked at the rate negotiated regardless of the number of hours worked by the contractor during the week or pay period. The vendor's personnel shall not work on County holidays.

COMPLETION OF ASSIGNMENT

Vendor agrees not to assign the person selected to another contract until the assignment with the County is completed. If Vendor removes the person before the assignment is complete, Vendor agrees to credit the County 80 hours at the rate bid to absorb the training cost to bring the replacement person up to the same level as the person that the Vendor assigned.

AUDIT OF THE VENDOR'S RECORDS

The Vendor shall maintain in good and legible condition all books, documents, papers and records related to its performance under this contract. Such records shall be complete and available to County, the State of California, the federal government or their duly authorized representatives during the term of the contract and for a period of at least three years (or longer if stipulated by the parties) following the County's final payment under the contract or until conclusion of any pending matter (e.g., audit or litigation), whichever is later. All contract-related books, documents, papers, and records related to the Vendor's performance must be retained in the manner described above until all pending matters are closed.

STATUS OF CONTRACTOR

If applicable to Contractor, County shall withhold seven percent (7%) of all income paid to Contractor under this agreement for payment and reporting to the California Franchise Tax Board because Contractor does not qualify as (1) a corporation with its principal place of business in California, (2) a partnership with a permanent place of business in California, (3) a corporation qualified to do business in California by the Secretary of State, or (4) an individual with a permanent residence in the State of California.
